AMERICAN NAZI PARTY (ANP); NATIONAL STATES RIGHTS PARTY (NSRP) RACIAL MATTERS (ORGANIZATION)

CG T-1 stated ANP Headquarters in Chicago within the past month has received several hundred telephone calls from individuals wanting to obtain information concerning the ANP. Whenever these persons give their names and addresses ANP literature is sent to these persons. The ANP in Chicago has also received several mail inquiries a day within the past month or so concerning the ANP and ANP literature is also sent to these individuals. Source added that \$15 or \$20 in cash has been received by the ANP through the mail from persons wishing to contribute to the ANP.

CG T-1 added that the ANP in Chicago is presently attempting to organize a "White Guard" in Chicago. The purpose of the "White Guard" is to organize white people to protect themselves against Negroes in the event Negroes cause disturbances which cannot be stopped by the Police Department. By setting up such a group they will be able to contact a large number of people on short notice in the event of Negro disturbances and the ANP plans to organize this group in order to assist the police maintain law and order. It is anticipated that the "White Guard" will have arms and will know how to use them. At the present time anyone inquiring concerning the "White Guard" is sent ANP literature and their names and addresses are obtained. "White Guard" is presently in the organizational stage and the ANP is not currently having interested persons sign application forms for the "White Guard." To date no "White Guard" actually has been formed in Chicago. It is expected that in the near future the ANP will issue literature concerning the formation of a "White Guard" and at that time persons wishing to join will fill out application forms.

CG T-1 added that the actual membership of the Chicago Branch of the ANP is approximately 15 members. No actual membership list is maintained in Chicago and the record of ANP membership is maintained in Arlington, Virginia.

CG T-2 who has furnished reliable information in the past advised on September 1, 1966, that Reverend Charles (Connie) Lynch, organizer for the National States Rights Party, departed from Chicago on August 31, 1966. His destination and mode of travel was not known and no information has been received which would indicate that Lynch expects to return to Chicago in the near future.

COMMANDER'S. SPECIAL REPORT ON CHICAGO

I'm dead, dog tired after the sixteen hour drive back from Chicago as I pound out these words myself on the typewriter, but I can't turn in until I've done my best to pass along the best news in six years to those who have stood by me so long and so faithfully through so much discouragement.

On Sunday, August 21, 1966, everything we have hoped for, sacrificed for, suffered and worked for came true!

Never have I seen such a fantastic "blackout" in press, TV, etc., nor such arrogant lies when the press did say something about what happened in Chicago last Sunday. Literally hundreds of newsmen, cameramen, etc. were there and know the truth of what I shall write, yet not one word of the amazing facts has been allowed to get out.

You'll understand why when you finish this letter!

About three weeks ago, Martin Luther Coon started it all. For the first time that I know of, he led his black scum and White trash into all-White neighborhoods in Chicago, demanding that the blacks be allowed to make more slums out of White areas.

The Whites replied the only way they knew how, -with rocks and bottles and jeers. They've never been organized as WHITE people, -as a RACE, -by the so-called right-wing, by the "conservatives" who are afraid to mention race and are still babbling about "the constitution", "states rights" etc, when it is RACE, and RACE ALONE which deeply concerns the masses of working Americans!

America has plenty of Negro leaders -Coon, Carmichal, McKissick, Wilkins and the rest of the arrogant black agitators. There are plenty of Jew leaders for the Jews. And every other group, from national groups to trade associations has its recognized leaders. It is only the White people who have no nationally known leaders who stand up responsibly for the WHITE RACE.

(Do not reply that George Wallace is such a White leader, -although I know he's the best we've had so far. But Wallace makes the mistake of joining the Jews, negroes and conservatives in parroting the Jewish line, (as Wallace does all the time), by saying, "Racism is evil!" --In other words, Wallace is saying Whites aren't superior to blacks, and it is "evil" to say so. Instead of admitting the truth that the White race IS superior, Wallace tries to hide his racism as "States' Rights", "Constitutionalism", etc. But the people see through this, and instinctively know that a leader who will not dare tell them the truth they all know will never really FIGHT.)

I proved, last Sunday, that the people, the good, White working people are sick to death of any more of this sort of hiding and disguise and sneaking of racism. They want to see a fighter for the Great White Race stand up and face the liars and blacks and Jews with the FACT that the White Race IS superior, and will not tolerate being mixed with inferior Africans. They want a fighting leader not afraid to come out in public and state what everybody can see, that the blacks, for the most part, are the lowest kind of semi-animals who will destroy White Christian America unless we stop them.

(And don't tell me that Robert Shelton, the Klan leader, is such a nationally known White leader. He's known, sure, and he's for the Whites, -sure. But he has not and he will not step out onto the battle-field personally and fight for his people, as the masses know I do every day. Where was Shelton when the Commie Viet Cong flags were flying all over the Country? Where was Shelton in Chicago? Cleveland? -a thousand other places?)

The American people do not want any more empty talk, petitions, cross-burnings, bed-sheeted collection-gatherers or anything else except old-fashioned American FIGHT! Klan groups with whom I have met all over the Country have complained to me that Shelten won't fight, and won't let anybody else fight.

The fact is that the White working people of Chicago FINALLY have been attacked in their very homes by the black scum, and have risen up in their righteous wrath to hand us THE opportunity of a lifetime.

But their wrath, until we came along, was undirected, aimless, violent and often harmful to their own cause. They have been abandoned by "leaders" afraid to stand up for the WHITE RACE. While the black ravages have been howling through the streets screaming "Black Power!"-burning, looting, beating, raping and murdering, --the "conservatives" and even Southern leaders have been responding with "The Constitution!", "States' Rights!" and, most defeatist of all, "Never!"

In order to DO what the Conservatives are always babbling about, we need POWER, WHITE power!

The moment I realized what was happening in Chicago as the rocks and bottles were flying at the nigger marchers, I dropped almost everything else and called a dedicated patriot in South Carolina. With his help, I flew John Patler out there to Chicago with ten thousand "WHITE POWER" swastika signs which were printed in an all-night marathon effort in our little "hen-house" plant in Southside Virginia.

I knew exactly what would happen when I turned those signs loose in Chicago. Those decent, peaceable, hard-working people were MAD, mad clean through, and under naked attack by black mobstrying to invade their neighborhoods and turn them into more nigger slums. They don't give a damn about all the Jewish anti-Nazi lies and propaganda of the last twenty years. They are fed up to here with the phony, dead "six million". And they want to SHOW how angry they are, -they want to be tough, rough and FIGHT!

The swastika ALONE gives them what they want and need, because it is truly the very symbol of "WHITE POWER"!

And another benefit of this symbol which the Jews have so thoughtfully been publicizing all these years is that anyone can draw one on a wall, on his helmet, on a poster! (Who can draw a Confederate Flag, for instance? Good a symbol as it is, it is too complex.) The swastika is simple and POWERFUL! That's why Adolf Hitler chose it as the symbol of our Great White Race!

The NSRP had already been passing out thousands of their very good paper, "The Thunderbolt" to the crowds. But the people in Chicago did not want to read any more papers about how bad the situation was and is, they want to FIGHT! We saw the streets littered with thousands of the paper.

Instead of newspaper or literature, I sent Chicago the swastika and John Patler to organize them and help them reply to "Black Power" with "WHITE POWER".

And how it worked!

Within hours after Captain Patler landed, our White Power swastika signs were being brandished at the niggers and on national TV, all over the city! Patler leaped on a bench in Marquette park, scene of one of the worst nigger invasions, and gave a rip-roaring NAZI speech which burned its way into the living hearts of thousands of White Men who, only hours before, had been leaderless and disorganized.

"ROCKWELL IS COMING" he shouted, and the crowd took up the cheer!

The papers and TV covered some of this reaction, (which you may have seen) because they apparently still thought it was some kind of juvenile outburst and that we could be made fools of; or they could jail me for "inciting to riot". But Captain Patler has been carefully and well trained at HQ and in his leadership activities all over America with the American Nazi Party. He was scrupulously careful not to say anything which could support charges of "inciting" no matter how the papers, TV and other media lie and misrepresent. (If he HAD "incited to riot" you can be sure he and I would both be locked up long ago).

He announced to the vast throng of Whites that I would be in Chicago to speak in the same spot next Sunday (August 21), at 2 PM, just as in the old days we used to speak ever Sunday in Washington.

Meanwhile, the reactions from all over America began to pour in! Our kind of people are fighters, and they could feel it in their souls that, at long last, the fight for White Christian America had been joined! I got calls from Oregon, San Diego, Iowa, Dallas, Florida, Seattle, Kansas, from everywhere! -even from people who had long ago lost faith and abandoned us. I decided the best way to let the politicians know that the Whites were fed up was not to throw rocks and bottles, but to MARCH ON THE NIGGERS who were causing the trouble! If the blacks have the right to "march" on our White neighborhoods, we assuredly have the right to march on their BLACK neighborhood. As soon as I announced this to the press, the police and politicians were forced to admit that they would have to give us "police protection" too, just as they had been giving it to the chimps and baboons loping into the White neighborhoods. We rigged the camper for a "combat" speech (see photo I took myself in Chicago about an hour before the speech, before the crowd had gathered) and headed for the Battlefield in Chicago. I fully expected to be arrested, since all the papers had been running stories that the Nazis had "incited" the White mob which stoned and burned nigger cars, (although all this happened long after Capt. Patler's speech, although the same kind of thing and worse had been going on for days before we ever got there, and although we carefully did NOT urge any such illegal action). Instead of being arrested, however, when I arrived in Chicago I was surrounded by the press and asked, "What is your comment about the National States Rights party, which has asked for Police protection against you and the American Nazi Party?" I was flabbergasted! Since Fields settled my court libel suit against him by paying \$1,000 and apologizing for his lies on the front page of his paper, and ended the disgraceful squabbling between fellow White leaders, I have not only not done anything to hurt the NSRP, but I have called him a dozen times to offer help, (which was always declined, -politely by Fields, with hatred and cursing by Stoner). Now with the greatest opportunity in history for the White Race, -out of a clear blue sky, Stoner of the NSRP (I believe) was starting more crazy battling between the NSRP and ANP, with this insane PUBLIC attack, implying that I was going to attack the NSRP and they would need police protection from ME!!! You can't imagine the way the Jewish reporters were laughing about THIS! So I wired Fields, assuing him to stop the insanity of more quarreling in public by White leaders, and even offering him the use of our facilities. (See photostat of telegram). But it did no good. I tried to call him, but got only Soner raving that I was working for the "Federal Bureau of Integration!" The vile lies from the NSRP continued to make the Whites look foolish. But we were all too busy to pay much more attention to such madness by the NSRP, and I did nothing to hurt them or "get even". They announced a rally for the same time and place we had already planned to speak and had spoken the previous Sunday, but I simply moved our rally over. Finally it was two PM, Sunday, August 21, 1966 in Chicago, Illinois. The weather was sticky and overcast. A crowd of more than two thousand had gathered, with many more at the windows of the neat, two and three-storey apartments and houses around the park. Just as we were ready to begin, the radio announced that anyone speaking in the Park would be jailed for "speaking without a permit"! My Chicago leaders had spent two and one half hours, several days earlier, making sure everything was legal, however, so Captain Patler climbed up the ladder to the roof of the camper and began to speak, He was greeted by round after round of applause! Lt. Chris Vidnjevich, our Chicago leader, followed him and was showered with more applause. Then Capt. Patler introduced me. I climbed up through the hatch to more applause than I have heard in all the years I've been fighting for America! I began to speak. It was an emotional experience such as I have never yet had. It was hard not to choke up, sometimes. As I spoke to that giant crowd, IT CAME ALIVE! I could FEEL it, and so could they!

When I asked a question such as, "ARE YOU WITH ME?" -- the answer would come roaring out of thousands of throats with such passion and power that it moved me beyond words. I told of the Jewish money and Jewish communism behind the black hell-raising! They applauded and cheered that somebody had the nerve, at last, to tell them the TRUTH! I told of the rotteness and ugliness of the black scum which was attempting to invade their clean neighborhood and turn it into another nigger slum where their wives, sisters and daughters would be helpless before the black savages. They cheered and hollered, for they knew I spoke the truth! I was soaking wet with perspiration. but my heart was so full that the words poured forth in a torrent directly into two thousand or more hearts of my White brothers and sisters! The mutual love and bond between White Brothers and sisters became a warm, breathing thing for all of us! Even now, as I write these words, my throat tightens up as I think of all the years all of us have suffered and sacrificed, and how all of it became gloriously worth-while in that hour during which I won over the hearts and souls of the White people who have been told for so long that I am a "monster" and a "bigot", etc! I announced that on September 10, I would lead a march of Whites into the blackest and rottenest section of Chicago. I asked again, "are you still with me? Will you MARCH?" The thunderous response was a volcano and an inferno of roaring approval, rebel yells and unmistakeable war cries of WHITE WARRIORS! When I could be heard again, I asked them to give me "WHITE POWER" so Martin Luther Coon could hear it on the other side of town! "WHITE POWER"!!! It wasn't organized and united enough, so I told them I would shout "WHITE", and they should respond with "POWER!" Over and over and over it thundered out of that historic park, --all over America! "WHITE..." :---- POWER!!" "WHITE..." ----"POWER!!" "WHITE..." ----"POWER!!" Until YOU hear this mighty roar of YOUR people, united at last in brotherly love for our Great White Race, you simply can't FEEL what happened out there in Chicago last Sunday! For the first time in the history of our perishing America, thousands of White Men and Women stood up openly as RACISTS, proud of their White Race, and cheered a supposedly "hated" Nazi, who stood over two giant SWASTIKAS, ---cheered and cheered and cheered. And hundreds of them were waving swastika placards they had made themselves!!! Two Jews started to scream at me. They got only a word or two before I saw them being dragged into the crowd and their feet disappeared. For seven long years, I Have had to suffer these vicious Jews breaking up our speeches by force and violence, only to appear later in court as innocent lambs, weeping piteously over the poor "six million" barbequed Hebes. But I can guarantee that the two Jews who came to bust up THAT meeting will NEVER try it again! That crowd was not made up of "conservatives" and Buckley, tea-party types, but tough, powerful working men who won't stand for any Jew hanky-panky while they are listening to a White Leader. When I climbed back down the ladder inside the camper, it was immediately swamped with a huge crush of people who wanted to see me. The others inside the camper cautioned about going out into such a mob, but I knew I had to. I did. I was almost pressed flat. Women hugged and kissed me. Hundreds of hands reached out to grab me and shake my hand, often nearly crushing it. We were told it was illegal to take up a collection in the Park, but these wonderful people PUSHED money at me, fives, tens, twenties, -stuffed it in my pockets, filled my hands, until I was able to work my way near enough to the camper again to pass the wads of bills inside. (More than five hundred dollars was pushed upon us in about THREE minutes!) By this time, I could not help pouring tears for pure joy, for the first time in my life. I had seen women cry for happiness before, and never understood it. Now I did! After eight, long, bitter, heart-breaking years of starvation, desertions, lies, lonliness and was magaza of my follow White Americans taking me into their hearts.

-5-These wonderful people were not pouring out their love and gratitude because I am so handsome, because I can give a good speech, because I am a "big shot" or because I "hate niggers". They were. everwhelmed, as I was, because at long, long last SOMEBODY was giving them responsible but FIGHTING leadership such as America once knew from our forefathers. Those good people knew that I understood them, loved them, knew how to reach their hearts, and will FIGHT TO THE DEATH FOR THEM! All of this I have long known and predicted would happen. But with so many years passing with so much misery and so few sticking with me, I have often wondered if I could keep going. I had actually forgotten the great vision for which we fight, OUR PEOPLE! I have been forced to spend so much time fighting poverty, treason, treachery and stupidity by my own side, that I had forgotten, emotionally, what it is like to be a part and a leader of a GREAT PEOPLE! But it all came pouring over me last Sunday in a great wave which I will never forget, and I knew with the surity of religious knowledge that WE WILL PREVAIL! Those few thousand wonderful people in Chicago are just a tiny sample of the MILLIONS out there, waiting just as desperately for WHITE LEADERSHIP. The reaction of those people was SO overwhelmingly favorable to us that it was all I could do to prevent a riot, when the Assistant Chief of Police of Chicago showed up after my speech and handshaking. They had been broadcasting that anybody who spoke in the park without a permit would be arrested. So, when the Assistant Chief showed up, I expected the usual "pinch". I heard the crowds beginning to roar, "The cops!" just as I got into the camper to drive off. I knew what would happen unless I did something right away. I jumped back out of the car and hollered to the crowd to leave the police officer alone. I told them that it would hurt, not help, if they mobbed the policeman. I told them that if I were arrested, I would go peacefully, but that they should then go and make a mass demonstration at the jail to let the politicians know they would not stand for Whites to be locked up while Martin Luther King broke every law in the books and got away with it. So the crowd let the officer through. He looked miserable and horrified when he got to me. "Can I talk to you a minute" he asked. "Go ahead and arrest me," I replied. "I'll see the crowd is peaceful." "No! No!" he hollered, as the crowd moved in, "I'm not going to arrest you!" The crowd relaxed and became silent. Microphones from a dozen reporters were poked between us. Then this top policeman said something incredible. We had been in the park for almost three and a half hours, by now, setting up the camper with an eighteen-foot sign, "WHITE POWER" and two giant red-white-and-black swastikas. There had been music which police made us stop. There had been three speeches. Hundreds of police had come and gone, some taking our names, etc. Nevertheless here is what this Assistant Chief of the Chicago Police said to me. "You've broken the law. I didn't know you were speaking, or you would have been arrested. I just got here, so I didn't know you were breaking the law." When he started talking about "breaking the law", the crowd began to get restless and ugly again, and the police officer continued in a hurry, "This is a warning! You can't speak again without a permit! Next time, get a permit!" I replied that I would, if I spoke again. Then I turned to the crowd and yelled, "Do you want me to speak again?" The crowd roared "YES!" The Assistant Chief of Police in Chicago scurried away. This time, the power of the mob saved me, (rather than the niggers) from an arrest for what they said was an unlawful act, (which I doubt, since our leaders were told it was OK by police HQ). But if it WAS illegal, then it is WRONG that I should have gotten away with it just because of that mob, and it is this kind of hanky-panky with the law which has loosed the black terror in our streets.

-6-No man should be arrested who does not break the law. Nor should any man NOT be arrested if he does break the law, even if the police have to use tanks and machine guns to enforce the law. This time, it was I who benefitted from "mob rule", because now it is no longer just the niggers who have "mobs", --we can have them too. But just because this mob was on MY side, doesn't change the principle that NO mob should ever deter police from doing their duty. And no politician should give orders which make such a monkey out of a professional Police Officer. The full injustice and wrongness of it all was shown in a pitiful way, a few moments later, when a miserable little group of three sheeted Klansmen were arrested for trying to speak, just as I had already done, -except they had no platform, no loudspeakers, no signs, --nothing, --including no mob. It had begun to pour down rain just as I finished speaking, and they had nobody out there to listen to them. So they were arrested and jailed for "speaking without a permit"!!! And as we were driving the camper by a statue at the other end of the park, (still in a pouring rain) we passed a soaked and soggy little group of about thirty people being addressed by a man with nothing but a little portable loud-speaker. It turned out to be Connie Lynch addressing the members of the NSRP. Mr. Lynch, too, was arrested, for doing what we did without being arrested! He had no mob, either. Surely this ought to be sufficient evidence to anybody that MOB RULE has taken over our America! With a mob behind you, the law is what you want it to be. Without a mob, you get the "business". What madness! I feel sorriest for the police, in the middle of this insanity. They HAVE to obey their orders, and often these orders don't come from police officers, but rotten politicians who cater to the mob. Just last week, 125 good police officers quit in Chicago, because of the rampaging black mob rule. It's happening everywhere because a nigger can't be arrested anymore without all of niggerdom turning out to riot, burn, loot, and terrorize the whole city. It's wrong for niggers to be able to break the law with impunity, and it's wrong for us, too. But we didn't produce this rotten situation, and we do have to stop it. And to stop it, we must use SUCCESSFUL tactics, -which means that the only real answer to BLACK mob rule and black power is WHITE POWER! Some papers in Houston and California headlined that I "incited" a riot. Had I any intention of doing any such a thing, indeed, had I not PREVENTED a riot, that policeman who came in there would have been mashed to a pulp, and that crowd would have roared off to start the riot of the century and kill them carloads of niggers. Instead, I showedthem a constructive, legal way to show the politicians that the black, bloc vote isn't worth losing the much larger WHITE BLOC VOTE, -and showed that crowd that we could do it with a march on the nigger section in an orderly and legal manner. I told them that if I could muster only a few thousand White Men to march on nigger town, the political bosses would have to sit up and take notice and listen, at last, to the voice of the White Man who has lost patience with all the catering to nigger marches, riots, crime and laziness. I told them it is not petitions, talk, literature, meetings or even the truth which moves cynical politicians today, -but MASSES OF ANGRY PEOPLE. The niggers are getting away with HELL, simply because they can muster hundreds or thousands of bloody rioters; and every commie, every Jew agitator, every politician, every lefty and liberal liar and sneak is THREATENING us that if we don't give up our rights and all they demand, they will loose upon us the black terror! Well Sunday, I showed those politicians that he who sows the Black wind shall reap the WHITE WHIRLWIND! With only one rally, I can now muster many thousands of White Men to march into niggertown on behalf of "Back to Africa"! And these will be no "nice" "conservative" marchers. These will be the toughest men in Chicago; which is no sissy city. We've got 'em with us 100%, regardless of the silence or the hisses of the Jewish vipers in the press. TV. radio etc.

If the niggers attack, the cops will have the right, (and the pleasure) of beating the living hell out of those burrheads. And every White cop in Chicago will be fighting for a chance to get a free crack at the black hell-raisers who have made their lives so miserable. If nigger cops can beat the brains out of Whites who try to stop nigger marches into White neighborhoods, then White cops can certainly enjoy to the fullest pounding the thick, wooley skulls of the black apes who might try to interfere with our march into THEIR neighborhood.

The march will, in short, be a "Birmingham" -in reverse!

The only problem we have left is logistics.

Unless I can ORGANIZE these thousands of tough, White people, we will still have nothing but MOBS. In order to keep our march orderly and lawful, with such huge numbers over such a large area, (so the police can "take care of" black attackers and we won't all go to jail), we need "monitors", with helmets, boots, uniforms, armbands, etc. We need all the equipment to insure rapid and positive communication over the mile or so of the march, including Citizen's Band radio, walkie talkies, etc. We must give cohesion and a feeling of unity to all the participants.

Here's some of the vital things we must have to keep this march orderly and make it effective.

500 uniforms, boots, helmets and armbands for "monitors" to maintain order. Radio command car, with Citizen's Band radio, plus substations and walkie-talkies. 10,000 placards, "Back to Africa", "White Power", etc. 100,000 printed sheetswith instructions, cautions about legality and order, etc. chartered busses, travel expenses, etc.

All of this, with the other inevitable expenses of such a huge operation, will come to about \$41,000, minimum. (In case that sounds extravagant, the niggers spent over a million dollars on their Washington march alone).

When I first arrived at this sum here, the other officers shoot their heads and said it would be impossible. "Can't be done" they said.

I believed differently. I have faith in our kind of people. I believe they will understand that once we have begun to win over the masses of Americans, as we have prayed and worked so hard to do all these years, we've got to "GO FOR BROKE"!

We have PROVED, by what we did in one small section, that we can now organize a MILLION people in Chicago, once we have the funds to work with. And surely, you don't need an electronic calculator to tell you the amount of support we can raise from such an unimaginably large group in just one city, even though they are mostly working people and poor people. They proved what they can and will do, in just three minutes, when they surrounded me and stuffed all those five hundred bills at me!

I know that every addressee has already performed financial miracles for the Party and our Cause. Now I must ask you to do it again, and I believe you WILL! I believe that you will agree with me that it would be wicked for us to ignore these many thousands of people given to us at last to lead, and to fail to do a GOOD JOB OF IT! We can not, we <u>must</u> not let this march turn into a rabble and a riot because we don't have the equipment and funds to maintain order and effectiveness!

What I am specifically worried about is lack of discipline and order. These people who will march behind me are TOUGH, --FIGHTERS from the streets of Chicago. They are itching to beat the niggers to death. If they cannot be controlled during the march, -if a brick flies and they start a fight, I will surely be accused of starting a riot at the very least, and spend years in prison, or more likely get killed. I'm not afraid to die for my people, but not uselessly, in a miserable mess caused by lack of preparation.

The ONLY way to maintain order and discipline is the same way its done in the army, by building and maintaining a strong feeling of group UNITY and loyalty. Most of the youth "gang" leaders are with us, including many with motorcylces. These extremely tough boys look up to me as a "great man" as many of them told me day before yesterday in Chicago. This gives me the strength to maintain command and order, providing I have the TOOLS such as radios, etc. Remember that these same lads have been beating and killing each other in the streets until I got them to see the insanity of fighting each other and m. naged to get them to unite against the comman, black enemy. To teach these rowdy, tough fighting men to obey the law, respect police officers and maintain discipline and order even under nigger attack, --all in two weeks, --is going to take a miracle of leadership. I can do it, as I have all my life, -but I MUST to help, --uniforms, helmets, signs, symbols, radios, and the rest of the equipment which makes a living, disciplined ORGANISM out of a rabble.

We can't take advantage of this blessed opportunity with a few hundred or even a few thousand dollars. It will take a minimum of FORTY-ONE thousand dollars. You just can't pull off such a gigantic operation on guts and will as we have been doing, and you certainly can't save a whole Nation and eventually win the race war ahead with a few hundreds or thousands here and there.

I am now prepared to ask you, in good conscience, to do just as much for the White March on Chicago as you would if your wife, your mother or your kids were dying in the hospital. Because your race and your nation ARE dying. This march may cost me my life, -and I am glad and eager to risk that life for the tremendous power it will give our side at last! My willingness to risk my life gives me the clear conscience to ask you to GO THE LIMIT! And then more.

If I have managed to reach your heart with a clear understanding of the earth-shaking power which has at last been put in YOUR hands, you will be just as eager to find the BIG money we now must raise, as you would be if your kids were dying and you needed the money for the doctor.

I know there are some of us who can come up with five or ten thousand dollars. I also know there is NOBODY on our list who can't do something significant.

THIS IS IT! --this is the time for the White Man to start the march to POWER! We've already got it in Chicago, and the niggers will soon be marching into White neighborhoods everywhere. I have proved we know how to reach the hearts of the masses and organize them. We're ready to go to work, but we must have the funds to operate!

I have been warned by everybody that I will almost surely be shot, leading the march into the toughest black section of Chicago. Nobody can watch all the windows and rooftops, etc.

I am well aware of that,

But the very courage which impells me to march and lead my people at last also gives me the moral courage to push you to do YOUR share, --and the share of the "conservative" fakers who are too scared to do anything but talk and petition and go to meetings.

I am going to march in there September 10th, alone, or with thousands, rich, poor or in between.

But if you do your share, we will show the black scum and their Jew communist masters what WHITE POWER on the march looks like. With your help, there will be hundreds and hundreds of uniformed, booted, helmetted "monitors", flags, banners, "Back To Africa" signs by the thousands, squads of sharply uniformed motorcylce riders, radio command cars, organized singing and cheers and thousands and thousands of marching men.

If the blacks attack, the police will strew the streets with them. If police are overwhelmed, WE will pile up the coons like cord wood, which is our right of self-defense.

And if the blacks do NOT attack, as I expect, the morale of the black scum will be smashed by a White March into the heart of their territory, while White morale will soar into the skies. And the "stock" of the American Nazi Party will zoom up to produce a hundred more White marches and millions of new members and adherants. Now is the time to either organize and resist as the people of Chicago are ready to do, --or give up our country to niggers, scum, communists and Jews.

I repeat, THIS IS IT!

There are only about two weeks left before I march into that black stronghold leading thousands of the toughest White people in Chicago. (We had to set the time so soon because that's the only way to strike while the situation is "hot"!)

Please send \$10,000, \$5,000, \$1,000 or whatever you would raise in a desperate emergency to save the life of your mother, your wife, your kids or other kinfolks.

That's exactly, precisely what you will be doing.

I'm DEPENDING on YOU in this God. iven opportunity!

Reference is made to Chicago memorandum dated August 19, 1966, captioned as above.

Police Department, on August 19, 1966, advised the Chicago Office of the Federal Bureau of Investigation (FBI) that a court injunction had been obtained on August 19, 1966, restricting demonstrations by the Chicago Freedom Movement (CFM) - Southern Christian Leadership Conference (SCLC) in Chicago. The injunction which was issued by Judge Harrington, Circuit Court, was brought in the name of Police Superintendent O. W. Wilson and named Martin Luther King and his top aids as defendants. The relief it granted restricts demonstrators to 500 in number, prohibits night marches, and provides 24 hours notice by the above groups to police authorities regarding their demonstration intentions.

The "Chicago American" issue of August 19, 1966, reveals that Chicago's Mayor Daley would appear on television the evening of August 19, 1966, to explain the This article reason for the injunction to the people of Chicago. also stated that a meeting held August 19, 1966, by the civil rights and community leaders involved a discussion of implementation of open housing in Chicago. Al Raby, Coordinating Council of Community Organizations (CCCO) Convenor and CFM official, was quoted as saying, "We got nothing out of it concerning real problems." A source, who has furnished reliable information in the past, advised on August 19, 1966, that the temporary restraining order issued August 19, 1966, by Circuit Judge Cornelius Harrington restricts marches as follows: Twenty-four hour notice of march must be given. No march in more than one area. No more than 500 marchers...

Source advised that the order is enforceable pending a hearing on a permanent injunction calling for the same restrictions. Source stated that James Bevel of the SCLC had announced a meeting for August 19, 1966, to study the court order and to determine what the consequences would be if the court order were broken. He also stated "we have violated injunctions before in the south" but would not say his group would violate this order pending a study of it. Chicago's Mayor Richard Daley in a television address at 10:00 p.m. August 19, 1966, stated essentially as follows: The right of petition by demonstrations has never been questioned and is not being questioned in this instance. The injunction is not an effort to interfere with this right but only an effort to have reasonable demonstrations and to end the type of demonstration which has adversely affected the rights of all other citizens of Chicago and that demonstrations have made it impossible for police to protect the lives and property of all citizens. Civil rights leaders have consistently failed to properly inform the Chicago Police Department of their plans, routes, numbers, and destinations. The marches have also been held at night and at rush hours and in such a manner as to tax the resources of the Chicago Police Department. Disorders in the neighborhoods during demonstrations have resulted primarily from the influx of outside extremists of all persuasions rather than primarily from residents of march areas. Marches are arousing hatred and civil rights issues are being reduced to the level of street riots. It was stressed that the injunction was not an effort to interfere in such fashion as to interfere with Constitutional right of protest only to regulate marches in such fashion as to protest the Constitutional rights, safety and property of all the citizens of Chicago.

Evergreen Park, Chicago March

Concerning the SCLC march in Evergreen Park, the following is noted:

The Evergreen Park Police Department on August 20, 1966, advised that it is working with the Illinois State Police in this area. The Evergreen Park Police Department will have 40 men available, and the Illinois State Police 160 men. Headquarters for police officers would be located in a mobile unit at 99th and Kedzie. The route of the march was as follows:

The marchers reportedly would leave their automobiles at 95th and Millard. They would walk East on the North side of the street to the 2900 block of 95th. They would cross to the South side of the street, and return West to their automobiles at 95th and Millard. The group would then return in their automobiles to Chicago.

The Chicago Police Department, Communications Unit, reported at 3:42 p.m., August 21, 1966, that a group of undetermined number of demonstrators had left the Liberty Baptist Church for the Evergreen Park area and their anticipated march. At 4:02 p.m., information was received from the Illinois State Police at 95th and Kedzie, Evergreen Park, reflecting that the marchers were to assemble in the parking area of the National Tea Store, 95th and Lawndale, and from there would march on foot along 95th Street to Francisco Avenue (2900 West), stopping during their march for prayer vigils at three real estate firms. The Illinois State Police advised that approximately 160 officers had been dispatched to cover the route of the march.

At 4:38 p.m., the Illinois State Police at Evergreen Park, where Illinois State Police Chief William Morris was at the scene, reported that a group of SCLC demonstrators had left 47th and South Park en route to Evergreen Park. cars carrying 300 to 500 demonstrations were reportedly in this group.

The Evergreen Park Police Department reported at 5:38 p.m. that about 150 young teenagers in the vicinity of 95th and Kedzie were throwing rocks at Negro occupied cars in the area. The Illinois State Police were called to disperse this group.

At 5:38 p.m., 25 cars of marchers had arrived at the National Tea parking lot assembly area, 2000 West 95th Street, and the Evergreen Park Police Department reported that another group of marchers in automobiles had called from the Evergreen Plaza at 95th and Western requesting a police escort to take them to the assembly area. As of 5:55 p.m., the assemblage of marchers at 2000 West 95th Street had grown to approximately 300, according to the Sheriff's Office, Homewood, Illinois. The Evergreen Park march began shortly after 5:45 p.m. There were numerous hecklers lined up along the route of the march.

At 6:00 p.m., the Evergreen Park Police Department reported that the group of marchers moved East on West 95th Street from the parking lot at 95th and Lawndale. The group stopped briefly at Neiburt Realty, 3408 West 95th Street, and Briggs and Son Realty, 3225 West 95th Street. The marchers then went to Triezenbergs, 2917 West 95th Street. As of this time, one white teenager was being detained at the Evergreen Park Police Department. The youth reportedly was a known troublemaker. At 6:25 p.m., the marchers had reached their turn around point, and all went back to their automobiles. Large groups of teens were located at Western and 95th Street, and at other points along the way, heckling and otherwise attempting to disrupt the march. Also from the above source, one State Police officer was reportedly struck by a rock thrown by a white teenager. The injury was not serious, and the youth was in custody.

At 6:55 p.m., the marchers reportedly had returned to their automobiles and hecklers were being retained by police.

At 7:05 p.m. all marchers were in their cars and reportedly had left the parking area. Some rocks were thrown at automobiles, however, no marchers were hurt or struck. The Chief of Police A.L. Breitzmann reported that three officers had been hit by rocks, but were not incapacitated. The leaders of the Evergreen march were Jesse Jackson and Al Raby. There were approximately 600 marchers who participated and 500 to 600 people followed the march, mostly teenagers. There was no property damaged. Chicago Heights March

The Sheriff's Police working with them would have 80 men available, and would have headquarters in Homewood, Illinois. The Sheriff's Police would be working both the Evergreen Park march and the Chicago Heights march, and their men will be directed as needed. The marchers were reported planning to leave their automobiles at the City Hall in Chicago Heights, and the route of march by the SCLC was not then available. The march, however, was expected to get under way at approximately 5:00 p.m.

The Chicago Heights Police Department reported at 4:20 p.m. that cars were pulling within the City Hall area, and the Chicago Heights Police Department was awaiting the arrival of the Chicago march group which at 4:26 p.m. was reported as on its way via bus.

At 4:50 p.m. 10 or 15 men wearing hard hats and wearing arm bands with SOCCA (Steering Organization for Coordinated Community Action) printed on them, joined in the above group of about 95 individuals at the Chicago Heights City Hall.

At 5:43 p.m., the Chicago Heights Police Department reported that 115 local persons had been joined by about 165 marchers from the SCLC in Chicago and had left the assembly point at City Hall on the march route. A sparse crowd of onlookers was reported, and no arrests or incidents were reported at this time.

At 6:20 p.m., it was reported by the above, that approximately 300 marchers were participating and that Jerry Davis was identified as the leader of the march.

At 6:42 p.m. the marchers had completed their short march, and had returned to the City Hall area. The march was described as being very orderly. There were few spectators and no arrests. There were no incidents and the march was completed at 7:30 p.m., and the marchers were out of the area and police dismissed at approximately 7:50 p.m. During the route of the march, the demonstrators had stopped briefly at the George Arquilla Realty Company, Chicago Heights.

A third source, who has furnished reliable information in the past, advised on August 20, 1966, that several members of the Ku Klux Klan were in the Chicago area and that Klansmen intended to distribute literature in the downtown Chicago area on August 20, 1966, and were also scheduled to participate in a joint NSRP-ANP Marquette Park rally August 21, 1966.

Concerning the NSRP, a fourth source, who has furnished break information in the past, advised that Connie Lynch of the NSRP, was in Chicago and had spent the night with local Chicago NSRP organizer. Source advised a meeting was scheduled at the NSRP Book Store at 12:30 PM, August 21, 1966.

A fifth source, who has furnished reliable information in the past, advised on August 21, 1966, that a group led by George Lincoln Rockwell, would leave the Chicago ANP Headquarters at 12:30 PM.

for Marquette Park. (Rockwell reportedly would have a small group with him and attempt to pick up others from the neighborhood. This source also reported that on the evening of August 20, 1966, a group of ANP people had passed out pamphlets in the vicinity of Marquette Park.) This source reported that an individual by name of Bruce was in Chicago and had arrived with Rockwell. This individual is allegedly out on bond on some charge from Virginia or Washington, D.C.

A sixth source, who has furnished reliable information in the past, advised at 3:00 P.M., August 21, 1966, that Rockwell and a small group of members of the ANP had arrived in the vicinity of Marquette Park at approximately 1:00 P.M. He arrived in his camper truck which displayed anti-Negro signs and at about 2:00 P.M. held a short rally exsposing his usual anti-Negro and anti-Semetic statements and called for a "white guard". Source reported that approximately 2,000 to 2,500 were in the park at this time, however, the rally was cut short by a rain storm. Rockwell indicated that there would be a meeting of the ANP at 7:30 P.M. at the Chicago ANP Headquarters.

At 3:10 P.M., Chicago Police Department, Communications Section, advised that Rockwell had made his speech before the arrival of the Chicago Police Department and before the Chicago Police Department could warn him regarding the necessity of a speech permit.

The Chicago Police Department, Task Force, reported at 3:15 P.M., August 21, 1966, that some representatives of the Ku Klux Klan and NSRP had arrived at the park following Rockwell's speeches, however, police on the scene informed them that they would not be permitted to speak without a permit. A crowd was reportedly regathering in the park area.

The sixth source advised that as of approximately 3:35 P.M., individuals in Klan robes were at Marquette Park area roaming through the park in klan attire.

One such individual stepped up to a microphone and asked the question, "Do you believe in white power?", to which there was an affirmative response by a large gathering of white individuals in the park. The Chicago Police Department took this individual into custody and removed him from the park. The crowd in the park was reported highly agitated and emotional, yelling such remarks as "kill the Niggers" and "white power". The Chicago Police Department had a large force in the Marquette Park area.

The Chicago Police Department, 8th District, advised at 3:45 P.M., that a person arrested in Klan robes in Marquette Park was Akron, Onio.

b6 b7C

A seventh source, who has furnished reliable information in the past, advised on August 21, 1966, that Reverend Charles (Connie) Lynch from Bakersfield, California, a speaker for the NSRP, spoke at the rally sponsored by the NSRP at Marquette Park on August 21, 1966. Lynch began speaking at about 3:15 P.M. at which time there were about 50 persons present but the crowd had increased substantially after Lynch began to speak.

This speech criticized Martin Luther King for marching into the all white areas of Chicago and attempting to integrate these areas. He stated the Jews and Communists are primarily responsible for causing the recent racial problems in this country. King is responsible for causing the violence in these white areas and Lynch called upon the whitesto organize in order to stop these marches. The white people in these areas should fight back against all of the persons who are participating in these marches. He added that the Supreme Court in this country is also Communist infiltrated and, therefore, many of their recent decisions have been responsible for increased integration. Lynch said he had recently been in Baltimore, Maryland, to speak against integration and to call for all white people to organize against persons calling for integration. Lynch said King sould be barred from having more marches and if the authorities did not stop these marches,

the white people in the area should take it upon themselves to stop the marches. He criticized the Chicago Police Department for assaulting, injuring, and arresting white persons whenever Negroes march into white areas and said the Police Department should discontinue doing that because it is only protecting the Negro marchers and the white people have the right to defend their homes and families. Lynch said the white people should fight the Police Department if necessary to stop integration and the destruction of their neighborhoods.

This source stated that after speaking about one-half hour, Lynch was arrested by the Chicago Police Department and taken from the area. At the end of Lynch's speech, there were approximately 1,000 persons in the area. Three unknown men wearing robes of the Ku Klux Klan were also at the above NSRP rally.

The above source advised that the following persons... associated with the Chicago Branch of the NSRP were also in attendance at the above NSRP rally:

٠,	<u>. '</u>	
		b6 b7C
the	On July 21, 1966, advised that he is chairman of the Chicago Branch of the NSRP.	

The above source advised after Lynch was arrested, a crowd of 700 persons started to march to the Chicago Lawn Police Department district where Lynch was taken and this group was protesting Lynch's arrest. During this march, mentioned above, incited the crowd by saying a white man had been shot. During this march this group of persons threw stones and pop bottles

at approximately 10 automobiles which contained Negro occupants thereby breaking the windows in these autombiles.

On August 22, 1966, an eighth source, who has furnished reliable information in the past, advised that Reverend Charles (Connie) Lynch spoke at the above NSRP rally on August 21, 1966.

This source stated that Lynch said the Communists are responsible for causing integration and all of the racial problems in this country. The "Niggers" should not be shipped back to Africa but they should be buried here. added that he advocates violence against situations where Negroes are attempting to gain entry into all white areas because they are inferior. In fact, everyone should realize at this time that you do not have to advocate violence because violence is presently here. He added that the Jews in combination with the Communists are the real instigators for integration and world Jewry has long been responsible for providing the financial means for integration. Lynch stated he wants to hang President Johnson because he feels he is the individual who is actually responsible for integration. Whenever the Police Departments do not stop the Negro marches into white areas, the people in these areas should organize and fight the police if necessary so that the "Niggers" do not take over. He added that in his opinion, many times the Police Departments are guilty of allowing the Negroes to break laws and cause violence in different He added that President Johnson, Vice President Humphrey, and the Supreme Court of the United States are all influenced by Communists and people must organize to put a stop to the Communists taking over. Lynch called for the people present to join the NSRP in order to fight any integration attempts.

The Chicago Police Department, 8th District, advised 4:34 P.M. that on authorization of Chicago Corporate Council they arrested Connie Lynch, spokesman of the NSRP at 67th and Kedzie. As a result of the arrest of Lynch, some of his followers and part of the group assembled in the park and began a march

on the 8th District who called for reinforcements pending the arrivial of the white marchers. As of 4:32 P.M., the 8th District reported that a group of about 300 to 400, described mostly as "young punks" were stopped by the Police Department and dispersed one block from the 8th District station. Also it was reported that there was some stoning of passing Negro cars in the area of Marquette Park and several youths were arrested.

At 4:36 P.M., a Police Department unit at Marquette Park reported that a large group of people were still in the park and attempted to drag Negro occupants out of a passing car but were stopped by the police.

At 4:55 P.M., the 8th District, Chicago Police Department, reported that the above-mentioned Lynch and Lewis were charged with "addressing a group without permit", and that the Police were successful in dispersing the group which was marching on the Police Station.

Chicago Police Department, Task Force, reported at 5:04 P.M. that the group of NSRP which had been dispersed were regrouping at 63rd and Kedzie and at 5:34 P.M., groups were reported blocking streets and sidewalks at 67th and Albany. Squads were dispatched to disperse the crowds which was done also with the help of heavy rains. As of 5:27 P.M., the 8th District reported that Lynch and Lewis were both scheduled to appear at Municipal Court, Branch 46, at 1:00 P.M., Monday, August 22, 1966. Source advised that a small disturbance errupted in the meeting caused by an unidentified male who departed the meeting prior to the arrival of the Chicago Police Department answering a complaint. No injuries were reported. The meeting was over at 8:35 P.M.

A ninth source, who has furnished reliable information in the past, advised on August 21, 1966, that George Lincoln Rockwell held a meeting at the Chicago Branch of the ANP on the evening of August 21, 1966. There were approximately 100 persons in attendance at this meeting.

This source stated that Rockwell spoke concerning his speech in Marquette Park, Chicago on August 21, 1966. Rockwell was pleased with the reception he had received in Marquette Park and said they should continue to organize white persons in the area to oppose the marches into white areas by Martin Luther King. He said they Should cooperate with the Chicap Police Department because the Police Department is also "fed up" with these marches and wanted to stop the marches. He asked those present to raise their hands to signify whether they were at Marquette Park on August 21, 1966, and the majority of those present raised their hands. Rockwell criticized the Chicago newspapers for reporting

that there were only 500 persons present at his speech because he said there were at least 2,000 persons there. He added that the ANP should organize a "white guard" to oppose integration and he said that this "white guard" should work with the Chicago Police Department.

Rockwell said the ANP plans to have a rally in Gage Park, Chicago, at 1:00 P.M., on September 10, 1966. After this rally, they will have a march into all Negro areas in Chicago to show their opposition to integration. He said that those who participated in this march should not carry any weapons because if anything should happen, they should let the Police Department handle this situation. He also hopes to get some Ministers to participate in the march. The ANP will furnish Nazi arm bands and posters to the marchers and he also plans to have 50 men on motorcycles participate in the march. They will also obtain Nazi Party uniforms for the marchers. The above source added that John Patler, an official of the ANP from Arlington, Virginia, was also present at this meeting.

The above source added that approximately 10 of the persons present at this meeting were recognized as persons who attended Chicago ANP meetings regularly and the majority of those present appeared to be persons who attended this meeting as a result of Rockwell's appearance and speech in Marquette Park.

phonetic)

UNKNOWN SUBJECT, (FNU) KELLY (phonetic), white male, age 60, 5'10", attorney, attended NSRP meeting July 27. 1966

spoke concerning the current Civil Rights

MARTIN LUTHER KING. These marches are causing many problems for the city and especially for people who reside in the all white areas in Chicago. Most people in the white areas oppose these marches because they do not want any part of the integration and know that if Negroes are allowed to live in these areas the areas will become slums in a short time and the crime rates will increase. The NSRP should continue to distribute their anti-Negro and anti-Jewish literature in the areas of these

marches because in this way the NSTP will be able to make the white people understand that industrial is a real threat to them. He added that he had recently been arrested himself during a Civil Rights march where he had attempted to pass out NSRP literature and organize people to stop the marchers from coming into the area. He also mentioned that the Jewish people many times are the real enemies of the white communities because they are known to be for integration and many times supply great financial support.

There also was a general discussion by those present concerning the importance of working against those people that want integration and all of those present indicated that they consider the marches by KING in Chicago to be a threat to all the white people.

It was also mentioned that MSRP National Convention would be held at Dayton, Ohio, on August 27, 1966, and anyone interested in attending this convention should start to make their plans now.

Nazi Marching Ban Extended

A temporary injunction against marches and demonstrations in Chicago by the American Nazi party has been extended to Sept. 30 by Judge Joseph Sam Perry of federal District court.

The injunction, issued on Sept. 14, was extended at the request of the Jewish War Veterans. The Nazis had threatened to march on Jewish neighborhoods during the religious holidays.

Judge Perry is expected to rule Sept. 30 on a J. W. V. motion for a permanent injunction

against the party's activities.

Nazi leader George Lincoln

Rockwell acted as the party attorney in court yesterday. He took the 5th amendment five times when questioned about names and numbers of contributors to the Nazis from Dallas.

Two National States Rights party members yesterday were found guilty of disorderly conduct and distributing indecent anti-Negro literature during a June 25 civil rights demonstra-tion in Calumet Park. They were Raymord Sowa, 22, of 752 Coles av. and Michael Murray, 29, of 6453 Bosworth avCHICAGO AMERICAN

In fact, if they did associate with the ANP they would be diluting their own membership and this would be to the detriment of the NSRP. He said that of course they should attempt to interest ANP members in becoming affiliated with the NSRP if ANP members would so desire. The group present at this meeting agreed that the best policy would be not to support the ANP.

It was mentioned during the meeting that the National Convention of the NSRP would be held at Dayton, Ohio, on August 27, 1966. Several persons present stated that they

All issues of "The Thunderbolt" referred to herein were made available through SV T-1. "The Thunderbolt" is self-described as "the official White Racial organ of the National States Rights Partv".

NATIONAL STATES RIGHTS PARTY HEADQUARTERS, AUGUSTA, GEORGIA

The September, 1966 Issue #81 of "The Thunderbolt" which bears the return address Post Office Box 184, Augusta, Georgia, lists Dr. EDWARD R. FIELDS as editor and the telephone number 724-0752.

On Page 11, the national officers of the NSRP are listed as follows:

NED DUPES - Chairman
J. B. STONER - Vice Chairman
R. D. ELDRIDGE - Organizer
BERNIECE SETTLE - Secretary
CARL RIDOUT - Treasurer
Dr. EDWARD R. FIELDS - Director

Augusta,

On July 7, 1966, SV T-2 advised that J. B. STONER
had told some of the maintenance employees of the Marion
Building, Augusta, Georgia, where the NSRP has its offices,
that , was "finished" at NSRP Headquarters and
should not be granted entrance to the headquarters in the
future. This source said was not seen around head-
quarters after about July 3, 1966.
On July 25, 1966, Mrs. Savannah
Terrace Apartments, North Augusta, South Carolina, advised

on July 25, 1966, SV T-3 advised that had moved from North Augusta, South Carolina, to New Orleans, Louisiana.

b6 b7C

On July 29, 1966, SV T-4 advised that it appears that J. B. STONER and PETER L. XAVIER are the only two men working regularly at NSRP Headquarters at this time. This source said it appears that XAVIER's job is to run errands for STONER and XAVIER has become somewhat senile.

On July 29, 1966, SV T-5 advised that PETER L. XAVIER has been renting a room and taking his meals at 717 Green Street, Augusta, Georgia, for about three months.

On September 9, 1966, SV T-6 advised that the NSRP has been using recently a number of part-time workers whom they located through the Georgia Employment Service at Augusta, Georgia, to help at the NSRP Headquarters. The main task of these employees is to assist in mailing "The Thunderbolt" around the first of each month.

This source said that J. B. STONER had indicated that Dr. EDWARD R. FIELDS did not like for STONER to hire help for this job (for getting out "The Thunderbolt") because FIELDS wanted to keep expenses down. This source said that "The Thunderbolt" is strongly anti-Jewish, anti-Negro and anti-FBI and at least one of these part-time employees had expressed disagreement with the policy of "The Thunderbolt". The source said that although FIELDS is editor of "The Thunderbolt" and Director of the NSRP, STONER writes most of the articles for the paper and "apparently runs the whole show". The source

said FIELDS is away most of the time at a South Carolina town where he has a practice as a chiropractor.

The source said that Reverend CONNIE LYNCH was at
NSRP Headquarters several days in July, 1966, and then left
to go to Baltimore "to preach". This source said one of the
girls working in the office, is married and
has several children, but was contemplating a divorce from
her husband. This source said and CONNIE
LYNCH spent a great deal of time together when LYNCH was in
Augusta and had discontinued her work at NSRP Head-
quarters around July because
rumored that LYNCH was responsible.

SV T-6 said PETER XAVIER who is about 65 years old, is apparently only a handyman around NSRP Headquarters. His main tasks seem to be picking up and sorting mail and doing general clerical work for the NSRP.

This source said 'The Thunderbolt" is mailed to subscribers in practically every state in the union, some in Canada, and several foreign countries. The source said many nasty letters are received by officials of the NSRP from various people across the country. These letters which severely criticize the NSRP and "The Thunderbolt" are merely read and tossed away by the NSRP officials. This source said contributions apparently come from many sources, all making small contributions.

On August 19, 1966, SV T-7 advised that J. B. STONER is regularly at the NSRP Office in the Marion Building at Augusta, Georgia, when he is not out on some trip for the party. The source said PETER XAVIER keeps the financial records of the party and it is understood that he had retired from some branch of the military service. The source said that J. B. STONER had remarked that the NSRP Office would be closed for about a week around the end of August so that STONER and XAVIER could attend a convention of the NSRP. This source said the following persons had worked from time to time at NSRP Headquarters doing clerical-type work:

NATIONAL STATES RIGHTS PARTY CONVENTION Dayton, Ohio, August 27, 1966

Page 8 of the July, 1966 issue of "The Thunderbolt" relates that NED DUPES. National Chairman of the NSRP, announced that the party's national convention would be held on Saturday, August 27, 1966, at the GBU Hall, 820 Linden Avenue, Dayton, Ohio. The announcement continued that the party's national committee was called for a Friday evening meeting before the convention and this meeting was to be held at 8:00 p.m., at the Dayton NSRP Headquarters, 224 Oak Street, Dayton, Ohio. This National Executive Committee would also meet the day following the convention. The purpose of the convention was to receive reports of party leaders throughout the nation and plan the NSRP's participation in local and state elections during the next few months of 1966 and the elections of 1968.

The August, 1966, issue of "The Thunderbolt" announced that the National Headquarters of the NSRP would be closed a few days before and after the convention so that National Vice Chairman J. B. STONER, National Director Dr. EDWARD R. FIELDS, Treasurer PETER L. XAVIER and others at headquarters could attend the convention. Only members and supporters of the NSRP would be allowed into the hall. R. D. ELDRIDGE, National Organizer of the NSRP would be the host at the convention.

Attached to the August, 1966 issue of "The Thunderbolt" was a flyer entitled "Attend NSRP Convention". The flyer states that the speakers listed below would discuss the indicated subjects at the convention:

Reverend CONNIE LYNCH: Will be the main keynote speaker and the highlight of the convention. He will cover the broad subject of "Mass Action Necessary to Defeat the Black Revolution".

Attorney J. B. STONER: Will discuss "The Legal Aspect of the Struggle Against Forced Race-Mixing", also "The Legal

SV 157-871 Battle Won and Pending By The NSRP During the Past Year". Hon. NED DUKES: Will talk on "Why The Founding Fathers Wanted America To Be A Republic and Not a Democracy". R. D. FLDPIDGE: Will host and will deliver a welcoming address and speak on the "Details of Party Organization". ALLEN KERN: Organizer of the highly successful NSRP Chapter, in St. Louis, will discuss the importance of regular chapter meetings. JOE CARROLL: Will talk on "Youth Mobilization and The Importance of Street Activity and Mass Counter Demonstrations". Dr. E. R. FIELDS: His address will be on the "Urgency of Enlisting Local Support To Oppose All Phases of Race Mixing In Your Home Community". He will also speak on "Silent Communist Takeover of the Government in Washington". The flyer announces the following convention schedule: August 26 - 7:30 PM to 10:30 PM - For early arrivals meetings of NSRP National Executive Committee; open house at NSRP Hall, 224 Oak Street, Dayton, Ohio. August 27 - Convention begins at 12:00 noon, banquet 5:00 PM to 6:30 PM, lectures 6:30 to 8:30 PM - place GBU Hall, 820 Linden Avenue, Dayton, Ohio. Also on this flyer is a reservation form. On August 30, 1966, SV T-8 reported that the National Convention of the NSRP was held at Greater Beneficial Union Hall, Dayton, Ohio, on August 27, 1966, and was reportedly attended by approximately 200 to 250 individuals. This source said the following persons made speeches at the convention: CONNIE LYNCH, Los Angeles, California, NSRP Official; NED DUPES, New York; **∞7**∞

This source related that dinner was served during the convention at the price of \$2.50 per person. He said a collection was also taken up for CONNIE LYNCH's bond fee in Chicago, Illinois, in connection with LYNCH's arrest on August 21, 1966, for speaking without a permit. It was stated that the total amount collected for this purpose was \$370.00.	
SV T-9 reported on August 28, 1966, that a reception was held at Headquarters of the Dayton Chapter of the NSRP, 224 Oak Street, Dayton, Ohio, on the evening of August 26, 1966, for the purpose of having a "get together" for the out-town guests to the conventionacted as host and about 30 persons attended this reception, including the following:

SV T-9 estimated that approximately 150 people attended the National States Rights Party Convention at Dayton, Ohio, on August 27, 1966. This source said the convention did not have any agenda nor did it seem to have a program or purpose. It lacked organization and consisted only of individuals speaking to the group in attendance. These talks were substantially same in that they praised the NSRP and its fight to protect the white man. The speakers condemned the administration and the FBI, stating that these agencies are controlled by the Jews and Communists. One speaker said that the time had come to stand up for the rights of the white man; for the white man to protect himself and his rights and if violence was necessary to do so, it should be used. One speaker pointed out that the members should not talk to or cooperate with the FBI.	
of Baltimore, Maryland, was elected "Man of the Year" by the NSRP. In speech, he stated members should not cooperate with the FBI if contacted by that organization. He said the NSRP recently recruited 60 members in Baltimore and urged the party to recruit young people who would be the adult members tomorrow.	
This source said NEWMAN BRITTON, Dr. FIELDS and CONNIE LYNCH all gave very inflammatory talks which were anti-Negro and anti-Jewish and recommended use of violence. This source said the following individuals were among the speakers before the convention:

Page 7 of the September, 1966 issue of "The Thunderbolt" carries a report on the NSRP Convention. Listed in conjunction with the article was a photograph of R. D. ELDRIDGE, National Organizer, as he "welcomes delegates"; a photograph of Reverend CONNIE LYNCH "delivers keynote address"; a photograph showing JOSEPH CARROLL "1966 Man of the Year" being presented a plaque by R. D. ELDRIDGE, Dr. E. R. FIELDS and Chairman (NED) DUPES. The convention report states that the convention was considered a success by all those in attendance.

On September 3, 1966, SV T-10 advised that KENNETH L. ADAMS, J. B. STONER and a third individual had been in conversation on September 1, 1966 at Anniston, Alabama, residence of KENNETH L. ADAMS. During this conversation, ADAMS advised, concerning the NSRP Convention, that the only good speaker present was a man from California. He said there was a good turnout with representatives from 45 states. ADAMS said nothing was decided at the meeting, but a lot of people made speeches. ADAMS cursed CONNIE LYNCH as being "undependable and unreliable". STONER said he had to leave the convention on August 28, 1966, before it was over so he could be in Selma, Alabama, in United States District Court on August 29, 1966, to represent a client who was charged with assaulting an FBI Agent during the Selma march.

ACTIVITIES IN ALABAMA

The NSRP is expected to submit four names, possibly five, for the Calhoun County ballot in the November General Elections. KENNETH ADAMS, County Chairman of the NSRP, stated the party would petition the office of the Probate Judge to place the names of the men on the ballot.

On May 3, 1966, the NSRP nominated, according to KENNETH ADAMS, the following individuals:

W. F. ROZIER, 3120 Eulaton Road, who would seek place #2 in the House of Representatives;

PAUL WADE, a machinist seeking Chairman of the Calhoun County Commission;

LARRY ADAMS, 24, who would seek a place on the County Commission;

CALVIN RAMSEY, 37, a local foundry worker who would be a candidate for the County School Board.

KENNETH ADAMS would possibly be the fifth candidate.

(September, 1966 issue of "The Thunderbolt")

ACTIVITIES IN FLORIDA

On June 16, 1966, SV T-11 advised that the Winter Beach, Florida, Chapter of the NSRP which formerly met at the Primitive Baptist Church and Tony's Tavern, Winter Beach, Florida, had held no meetings since early May of 1966 and membership at that time was around ten members.

ACTIVITIES IN GEORGIA

"Dayton, Ohio August 30, 1966

The National Convention of the National States Rights Party was held as scheduled at Greater Beneficial Union (GBU) Hall, 820 Linden Avenue, Dayton, Ohio on August 27, 1966. It was attended by approximately 150 people. It was closed to the public and admittance was given only to persons with invitations or otherwise known to NSRP officials.

The convention lasted from about 1:00 PM to 9:30 PM with dinner being served inside the hall from about 5:00 PM to 6:30 PM.

The convention did not have any agenda nor seem to have a program or purpose. It lacked organi-It consisted only of individuals speaking to the group in attendance. These talks were all substantially the same in that they praised the NSRP and its fight to protect the white man. stated that the speakers all condemned the Administration and the Federal Bureau of Investigation. They said that the Jew and Communist controlled Administration and FBT were selling out the white people to the Negroes. They said that the time had come to stand up for the rights of the white man; for the white man to protect themselves and their rights and if violence was necessary to do so it should be used. A speaker pointed out that they should not talk or cooperate with the FBI; they did not have to talk to them and they should not.

The following individuals were among the speakers to the convention:

R. D. Eldridge, Dayton, Ohio
Ned Dupes, Chairman
Connie Lynch, California

Baltimore, Md.

Dayton, Ohio Dr. Edward Fields, Director Jacksonville. First Name not known First Name not known St. Louis, Missouri. of Baltimore, Md. was elected 'Man of the Year' in the NSRP. In his speech he said the FBI was the 'lowest' group of individuals and the NSRP should not cooperate with them if contacted. He stated that the NSRP should recruit young people into the NSRP as the youth of today were the members of tomorrow. He said violence should be used if necessary. They recently recruited 60 members in Baltimore. The individual from St. Louis. Mo. named said that the NSRP had a veteran recently returned from Vietnam teaching them in the use of firearms. NATIONAL STATES RIGHTS PARTY (NSRP)

On October 10, 1966, SV T-1 made available a copy of the October, 1966, Issue # 82, of "The Thunderbolt", which is self-described as "the official white racial organ of tho National States Rights Party".

A characterization of the National States Rights Party (NSRP) is attached hereto as an appendix.

The front page of this issue of "The Thunderbolt" carries a photograph of Lester Maddox and his wife with the caption, "Rolls to Victory". The accompanying article explains how Maddox won the Democratic Primary for gubernatorial candidacy for the State of Georgia.

In a flyer attached to this issue of "The Thunderbolt", the flyer entitled "Who Is Lester Maddox?", it is stated that Lester Maddox is the man of the hour. This flyer continues that Dr. Edward R. Fields, Director of the NSRP, has prepared a manuscript on the life of Lester Maddox, which is entitled, "The Life of Patriot Lester Maddox". This flyer states the manuscript is "an inspiring story of what one man can accomplish despite hardship and poverty". The flyer also appeals for funds to help fight the NSRP's legal cases, stating that the funds were "off" last month. The flyer states, "Funds are urgently needed back here at headquarters also."

Also attached to the October issue of "The Thunderbolt" was a letter from Dr. Edward R. Fields, addressed "Dear Fellow Patriots". This letter states that the editor had decided to begin a new program to boost circulation as quickly as possible and the reader, by sending in \$1.50, could

give a gift subscription to "The Thunderbolt" to a friend for six months. The letter asked the reader to "send in the names of right wing patriots who you feel would make good supporters for the NSRP." At the bottom of the letter are nine blanks for names and addresses of the individuals to whom the reader might desire to send copies of "The Thunderbolt".

On page 6 of this issue of "The Thunderbolt" is a letter addressed "Dear Carl:", with the signature "N.A.G., Buffalo, N. Y." This letter states that the writer attended the (NSRP) convention, as an observer, and was very much impressed with the fine display of American inspiration "coupled with Christianity, and patriotism, and determination." This letter continues, "Those people of the National States Rights Party know that the stomachs have been eaten right out of both our major balloting labels. They know that it is impossible to exercise one's right of franchise on either one of them." Near the end of this letter is the following sentence, "Any man participating in this fight for our American heritage and our American survival could take a few clues and cues from them."

On page 7 of this issue of "The Thunderbolt", it is announced that Dr. Edward R. Fields, Editor of "The Thunderbolt", would be the principal speaker at a National States Rights Party Rally to be held at 2:00 P.M., on Sunday, October 16, 1966, at King and Edison Streets, Jacksonville, Florida. W. Eugene Wilson, the NSRP's Duval County Director, was to preside.

Also on page 7 of this issue of "The Thunderbolt" is a group-photograph of W. E. "Bill" Rozier, Paul Wade, Kenneth Adams, Calvin Ramsey, and Larry Adams. An article accompanying this photograph explains that these men are the NSRP candidates for public office in the general election of November 8, 1966, in Calhoun County, Alabama.

In an article appearing on page 7 of this issue of "The Thunderbolt", entitled "Report on Chicago NSRP Cases", details are given concerning the arrest on June 23, 1966, of

NATIONAL STATES RIGHTS PARTY (NSRP)

Raymond Sowa and Michael Murray at Calumet Park, Chicago, charged with distributing obscene literature. These men are described as two of "our gallant young men." The article continues that these men had been convicted and the fines and court costs for them are in excess of \$1,000. It states that, if the cases are not appealed, these young men must go to jail. The article which appears above the name of Martin Barrett urges the readers to send financial help to assist in these appeals.

Last night vandals threw eggs and rocks at
American Nazi Party (ANP) Headquarters. They forced the

Police Officers asked some questions
about it for the record. Shortly after the Police left two
men came. They told that they were City

if the property had any fire violations. They looked over the

Rerep SA LELAND G. RITCHIE captioned as above dated 7/29/66 at Chicago.

Activities of the Chicago Chapter of captioned organization since late summer, 1966, have been restricted to weekly meetings. These meetings are normally attended by seven to twelve individuals at which time integration problems have been discussed. Much time has been devoted to attempting to increase membership and trying to raise funds for Chicago Chapter. Efforts in both fields have been largely futile.

Chicago is in the process of preparing report which will be submitted by January 6, 1966.

Chicago, Illinois August 25, 1966

A mosting of the Chicago Branch of the National States Rights Party (NSRP) was hold on the evening of August 24, 1966, at 2237 North Vestern Avenue, Chicago.

About 25 persons were in attendance and the following were recognized:

Reverend	CONNIE	lyech, 1	National Organizer of NBNP from California
			d d d

LYNCH spoke and stated he had spoke at a HSRP rally in Marquette Park on August 21, 1966, and had been agreeted by the Chicago Police Department for speaking at the rally without a permit. He was arrested because he was providing leadership for the white people who are opposed to integration. The Gestapo-like action of the Chicago Police Department in arresting him proves that the white people in Chicago are not being allowed to oppose integration and protect their house and families from the Regross who are trying to move into all

white areas. LYNCH quoted excerpts from the Bible and said the Bible teaches and calls for separation of the races, and therefore, he is against integration. Integration is one of the most evil things existing in their country today and white people must resist the attempts of those who are calling for increased integration or there will be a mongrelization of the races which will eventually destroy the white race. LYNCH called for repatriation of the Mogrees in this country and said they should "get the black varnits out of this country and send them back to Africa." To accomplish this, they will have to throw the gangsters out of office in Washington because federal officials are also responsible for allowing integration to continue. LYNCH said he would challenge anyone to charge him with treason if all he said was not true.

LYNCH said the NSRP must work to organize the white people if they expect to stop integration and said that when all of the white poeple are organized, they will be able to do something to stop the tide of integration.

LYNCH also stated he was going to go to Dayton, Chio, after this meeting to attend the National NSRP Convention to be held on August 25, 1966. LYNCH stated he expected to return to Chicago after the Convention because he had to appear in court as a result of his arrest on August 21, 1966, at Chicago.

NATIONAL STATES RIGHTS PARTY (NSRP)

On December 5, 1966, SV T-1 made available a copy of "The Thunderbolt", Issue # 84, for December, 1966. "The Thunderbolt" is self-described as "the official white racial organ of the National States Rights Party" (NSRP).

A characterization of the NSRP is attached hereto as an appendix.

On page 7 of this issue, under the caption "Stoner Speaks in Chicago; Reviews Cases", it is stated that J. B. Stoner, NSRP lawyer, was to address the local chapter of the NSRP in Chicago. The meeting was being sponsored by Martin Barrett, the local MSRP leader. Stoner was to discuss the different legal aspects in connection with running the party's legal department. It was also stated that, while in Chicago, Stoner would/review the two appeal cases of the convictions of Ray Sowa and Mike Murray, who had been arrested for distributing NSRP literature.

Also on page 7 is a photograph of three men, with the following caption, "White Race Organizers - R. D. Eldridge, left, William Murphree, center, and Robert W. Annable, urge white people to support anti-integration movements and protect themselves against racial violence." In an article accompanying the photograph, it is stated that unity was shown among right wing organizations in Cleveland when Robert Annable, Chairman of the National Christian Conservative Society, and William Murphree, Chairman of the North American Alliance for White People, sponsored R. D. Eldridge of the NSRP for an afternoon "speak" at "David's Hall" in Cleveland.

On page 7, in an article entitled "R. D. Eldridge Speaks in Cleveland", it is stated that R. D. Eldridge is the national organizer of the NSRP and had been successful in

holding a number of large public rallies and enrolling "patriotic white groups" behind the NSRP effort. It is stated that Eldridge operates out of the NSRP headquarters, 224 Oak Street, Dayton, Ohio, and is responsible for the party's activity in the Indiana-Ohio areas.

Also on page 7 is an article entitled, "Rev. Lynch, Norton, and Carroll Convicted in Baltimore". This article announces that the party regretted to announce that three NSRP leaders were convicted in Baltimore, Maryland, on charges of riot, inciting to riot, and conspiracy. It states those found guilty were Rev. Connie Lynch, a party organizer, Richard Norton, Maryland coordinator, and Joe Carroll, state youth leader. The article continues that they were sentenced to two years in prison, and Lynch and Norton were given \$1,000 fines. It was stated that Attorney J. B. Stoner immediately announced that the case would be appealed and the men were released on bond.

On page 11 of this issue of "The Thunderbolt", it is announced that Dr. E. R. Fields and Kenneth Adams had addressed a gathering on the courthouse steps in Anniston, Alabama, on November 6, 1966. The article stated that four NSRP candidates on the ballot had spoken and received hearty applause. It continued that Dr. Fields spoke on the reconstruction period which followed the Civil War. It continued that, "He said the white people have not as yet fully demonstrated to the Federal Government to what lengths we are willing to go to stop forced mixing." The article stated, the main purpose of the rally was to boost voter turn-out for the election.

In a flyer attached to this issue of "The Thunderbolt", entitled "Merry Christmas to All NSRP Friends and Supporters", it is stated that the NSRP has grown during 1966 but expenses had grown even faster. The article states that the NSRP approaches Christmas in bad financial condition and is almost broke, with many bills to pay. It stated, if all bills were paid, there would not be sufficient funds for publication of the December "Thunderbolt".

NATIONAL STATES RIGHTS PARTY (NSRP)

This flyer states the National States Rights Party plans to organize more chapters and build the party stronger in 1967. It also states that the party will need additional funds in 1967 to fight the legal battles which the party will face. The flyer urges supporters to furnish financial contributions to the party to help carry on the battle.

On December 13, 1966, Mr. Hemstreet Real Estate Company, Marion Building, Augusta, Georgia, advised that the Marion Building had been remodeled during the summer and fall of 1966 and Herman-Hemstreet Real Estate Company took over management of the building. rental contract with the NSRP, which expires December 31, 1966, was not renewed by the real estate company; however, after an official of that organization contacted Sherman-Hemstreet requesting an extension until they could find quarters elsewhere, continued the rental was extended until March 31, 1967. that after Sherman-Hemstreet took over management of the Marion Building, the doors to the building were locked from 10:00 p.m., to 6:00 a.m., during the week and from 3:30 p.m., Saturday, until 6:00 a.m. on Monday. A representative of the NSRP, believed by to be J. B. STONER, had explained to Sherman-Hemstreet that they needed entrance to the building over the weekend and consequently a kev to the front door of pointed out the door the building was furnished them. to the NSRP has a special lock provided by the tenant and Sherman-Hemstreet does not have keys to this office. He also pointed out that the NSRP does not use the janitorial services provided by Sherman-Hemstreet.

Accompanying the December, 1966 issue of "The Thunderbolt" was a flyer entitled "Merry Christmas to all NSRP Friends and Supporters". It stated the NSRP had grown during 1966, but expenses had grown even faster. Consequently, the party approaches Christmas in bad financial condition, is almost broke with many bills to pay. It said if all bills were paid, there would not be sufficient funds for publication of the December Thunderbolt. This article also said the NSRP plans to organize more chapters and build the party stronger in 1967, but the party would need additional funds in 1967 to fight the legal battles which it would face. The flyer urged supporters to make financial contributions to the party.

ACTIVITIES IN ALABAMA

SV T-2 on October 11, 1966, advised that KENNETH L. ADAMS appeared at Adams' Service Station, Bonnie Brook Community, Anniston, Alabama, on October 10, 1966, and complained that the NSRP had failed to furnish ADAMS with any campaign literature, posters, stickers, "canned talks" or support to

b6 b7C

assist in the November election where the NSRP had several candidates. ADAMS telephonically contacted NSRP Headquarters, talking to a woman secretary and to J. B. STOHER who he thoroughly cursed out for not sending necessary material. ADAMS was assured the material would be sent on October 10, 1966.

On November 5, 1966, the same informant advised that a public meeting of the NSRP was held on the steps of the Calhoun County, Alabama, Court House, Anniston, Alabama, where Dr. EDWARD R. UNITED KNIGHTS OF THE KU KLUX KLAN, INCORPORATED (UK-KKK)

Sources 1 and 2 furnished information in October, 1965, revealing that certain members of the United Klans of America, Inc., Knights of the Ku Klux Klan (UKA) from various sections of Florida, split away from the UKA and formed the United Knights of the Ku Klux Klan, Inc. (UK-KKK), on October 24, 1965, at Melbourne, Florida. According to the sources, the split resulted from a leadership dispute and the UK-KKK has the same aims and objectives as the parent group. These are the promotion of Americanism, white supremacy, and segregation of the races. The sources advised that at the organizational meeting it was agreed there would be no changes in Klan procedures or robes and face masks may be worn at Klan rallies. In addition, a Klansman attending the organizational meeting stated, "When you join this Klan, you join a Klan and there is one way out, that's feet first."

The	same sources advised that
	Fort Lauderdale, Florida, was appointed
Grand Dragon	of the UK-KKK on October 24, 1965.
